### **DETAILED ACTION**

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after allowance or after an Office action under *Ex Parte Quayle*, 25 USPQ 74, 453 O.G. 213 (Comm'r Pat. 1935). Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, prosecution in this application has been reopened pursuant to 37 CFR 1.114. Applicant's submission filed on 12/11/2006 has been entered.

### ***EXAMINER'S AMENDMENT***

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

This examiner's amendment corrects minor objections to Claims. Specifically, the numbering of claims is not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not). Hence, misnumbered claims 9-16 have been renumbered as claims 11-18, respectively.

***Allowable Subject Matter***

3. Claims 7 and 11-18 are allowed.

***Reasons for Allowance***

4. The following is an examiner's statement of reasons for allowance:

Please see Office Action dated 01/12/2006 for reasons for allowance of claim 7.

Regarding claims 11-18, independent claim 11 recites the same subject matter as those in claim 7 except that the scope is narrower than those in independent claim 7. Claim 11 is thus allowed since one of the limitations recited in claim 7 respectively were allowable subject matter. Claims 12-18 are allowed base on dependency.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
